- CUB would like for the FSW's to help parents see all of the options that are available in their area regarding placement of their child when they turn three.
- CUB would also like to receive updated information on children who are in the Help Me Grow and reside in their district (i.e., if they move, if they no longer qualify) so that CUB has an idea of their upcoming numbers.
- CUB would also like to receive a telephone call and written notice about transition meetings from the Help Me Grow service coordinator.
